National Rainwater and Greywater Initiative – Household Rebate Application Form

Application number (Office use only)

This application form should be read in conjunction with the *National Rainwater and Greywater Initiative – Household Rebate Guidelines* and submitted within six (6) months of purchase and installation of the rainwater tank or greywater system. The application form must be completed in full by the applicant and by the licensed plumber who installed the rainwater tank or greywater system. The rainwater tank or greywater system must have been purchased after the announcement date and a copy of the receipt for the purchase must be included with this application. This application form is current as of 30 January 2009.

Sections 1 – 4: To be completed by applicant.
Sections 5 & 6: To be completed by licensed plumber.

1. Applicant Information

Name:

Address where the rainwater tank(s) or greywater system has been installed:

Postcode:

Postal address (if different from installation address):

Postcode:

Phone number:

Email address:

2. Applicant and Dwelling Eligibility

I am the owner of the dwelling where the rainwater tank or greywater system has been installed.

Yes No

The dwelling at which the rainwater tank or greywater system has been installed is a principal place of residence.

Yes No

A National Rainwater and Greywater Initiative household rebate has not previously been provided for the dwelling to which this application relates.

Yes No

I am applying for a rebate for:

(You can only apply for **ONE** household rebate per dwelling under the National Rainwater and Greywater Initiative, for **either** a rainwater tank **OR** a greywater system)

Rainwater Tank(s)

OR

Greywater System

3. Rebate Payment Details

The rebate payment for successful applicants will be made by direct deposit. Applicants should allow 8 weeks for the application to be processed, and **applications will not be accepted before 1 March 2009**. The payment will only be made into the bank account of the owner of the dwelling where the system was installed. The rebate is not available as a point of sale discount nor can a retailer, installer, body corporate or commercial business apply for the rebate on behalf of their customers.

Name of account holder:

BSB number (6 digits)

Account number

4. Declarations, Your Responsibility and Your Right to Privacy

As a Commonwealth agency, the Department of the Environment, Water, Heritage and the Arts is bound by the *Privacy Act 1988*. Personal information collected under this program will only be used for the purpose of assessing applications and related purposes. This process may include the exchange of information with other government departments or agencies for compliance purposes, and/or reporting publicly on the performance of the rebate program. Reports will be based on aggregate data and personal information will not be identifiable in such reports. Information will be used for the payment of the rebate to successful applicants.

The Department of the Environment, Water, Heritage and the Arts reserves the right to refuse any application if the information provided is incomplete or does not meet the required criteria. Providing false or misleading information is a serious offence and carries penalties under the *Criminal Code Act 1995*. An audit program is to be implemented.

- I certify that I have read and understood the National Rainwater and Greywater Initiative Household Rebate Guidelines and I meet all eligibility criteria.
- I certify that, to the best of my knowledge, all of the details provided in this application (including that in the licensed plumber's declaration) are correct at the time of completing this form.
- I agree that I have and will provide the Australian Government with sufficient and reasonable evidence of my eligibility for the rebate if requested any time up to 24 months after installation. This may include allowing an authorised inspector access to my property to inspect the installation of my new rainwater tank or greywater system.
